For several years Will To Win Tennis has been providing specialist tennis camps for junior players. The camps are for a week at a time and run throughout the holidays period. The bulk of the day is devoted to those in the age range 7-16.

Tennis is played between 10am and 3pm, with an hours gap for lunch.

During the week, pupils will undergo 25 hours of Drills, Technique, Tactics, Fitness and Fun. Early booking is advisable because we insist on a low Pupil/Coach ratio, and hence places are limited to 12 children at this PPLTC camp. We have a strict syllabus we keep to and all coaches are trained to ensure the pupils go away having learnt a lot in a friendly environment. We are holding one camp this year at PPLTC- dates above

Please note: A minimum of 6 players are required to run the course

- **Please bring a packed lunch, lots to drink and sun cream**
